F0001_F2	F2A04	N	12	Total unrestricted net assets	Total unrestricted net assets is the sum of unrestricted (designated and undesignated) and unrestricted (investment in plant, property, and equipment, net of related debt) net assets. Unrestricted net assets are amounts that are available for the general purposes of the institution without restriction. Includes amounts specifically designated by the governing board, such as those designated as quasi-endowments for building additions and replacement, for debt service, and for loan programs. Also, includes the unrestricted portion of net investment in plant, property, and equipment less related debt. This amount is computed as the amount of plant, property, and equipment, net of accumulated depreciation, reduced by any bonds, mortgages, notes, capital leases, or other borrowings that are clearly attributable to the acquisition, construction, or improvement of those assets.

F0001_F2	F2A05	N	12	Total restricted net assets	Total restricted net assets is the sum of temporarily restricted and permanently restricted net assets. Temporarily restricted includes the amount of all net assets that are subject to temporary donor/grantor restrictions that limit availability for expenditure. Temporary restrictions are also those that permit the institution to expend the donated assets for a specified purpose or a future date. Permanent restrictions are those that stipulate the resources must be maintained permanently, but permit the organization to expend part or all of the income derived from donated assets. Net assets that are subject to a donor's or grantor's restriction are restricted net assets. Include long-term but temporarily restricted net assets, such as term endowments, and net assets held subject to trust agreements if those agreements permit expenditure of the resources at a future date.
